- Ran paid **Google and Meta Ads** acquisition and mapped recruitment corridors across **15 EU markets**, screening 50+ carriers for partnership
- Coordinated directly with **European carrier clients** across Lithuania and Germany, supporting **South African entity setup** and compliance

PROJECTS

Bhakti Tradition Map | Bachelor Thesis Project | Prof. Priyadarshi Patnaik, IIT Kharagpur Aug 2025 – Nov 2025
Overview: Developed a full-stack web platform to visualize and analyze 1000+ years of Bhakti movement data using highly interactive maps

- Developed a scalable platform using **Node.js, Express.js, MongoDB, & JavaScript** for **spatial-temporal** exploration of saint networks
- Designed and implemented **RESTful APIs** with indexed MongoDB query filtering, improving query response performance by **~30–35%**
- Engineered an **automated geocoding pipeline** using OpenStreetMap (Nominatim), achieving **>90%** successful coordinate resolution
- Built an interactive UI using **Leaflet.js** implementing marker clustering, ensuring smooth performance while rendering **100s+ markers**

URL Shortener | Self Project Jun 2025 – Jul 2025
Overview: Full-stack web app with custom links, advanced click tracking, QR code generation, leveraging React, Supabase and modern tools

- Developed a responsive frontend using **React, Tailwind CSS**, and Shadcn UI for seamless link creation, tracking, and analytics visualization
- Implemented a **serverless backend** with **Supabase**, implemented authentication, URL shortening, tracking & dynamic QR code generation
- Designed a **user dashboard** for link management and visualizing analytics, exporting click data reducing manual tracking effort by **~40%**

Kiyo.AI | Chrome Extension | AlgoZenith Hackathon Dec 2024
Overview: Developed an AI-powered Chrome extension that enhances coding productivity by providing intelligent, context-aware assistance

- Developed and deployed a **context-aware Chrome extension** leveraging **Gemini API**, delivering AI-driven and real-time coding assistant
- Implemented **real-time messaging updates**, and local storage with dynamic and **persistent chat history** linked to every coding problem
- Engineered **dynamic prompt generation** and local storage, enabling contextual, **adaptive AI responses** and seamless user experiences

SKILLS AND EXPERTISE

Languages and Technologies: C, C++, Python, HTML, CSS, JavaScript, SQL, Bash, REST APIs, WebSockets, PostgreSQL, MongoDB, Supabase
Framework and Libraries, Tools, APIs: STL, React, Leaflet.js, Tailwind CSS, Node.js, Express.js, Git, GitHub, VS Code, Vercel, Gemini API

CERTIFICATIONS

Applied Algorithms and Data Structures | AlgoZenith Dec 2024 – Apr 2025

- Completed an intensive **16-week live training program** in the DSA, gaining expertise in topics such as **Linked Lists, Binary Trees & Graphs**
- Learnt to apply various problem-solving paradigms & techniques like **Greedy, Divide and Conquer, Dynamic Programming, STL, Bitmask**

POSITIONS OF RESPONSIBILITY

General Secretary, Social and Cultural | Patel Hall of Residence | IIT Kharagpur Aug 2024 – Jun 2025

- Elected by **440+ students**, led a community of **200+** including two secretaries for functioning of all Social and Cultural Activities of the Hall

- Co-headed a team of **49 associates** and 250+ campus ambassadors, expanding reach to **1200+ colleges** and publishing 350+ media articles
- Successfully executed the **strategic alumni contribution drives** in Delhi and Uttar Pradesh raising **INR 7.52 Lakhs** through alumni network

AWARDS AND ACHIEVEMENTS

- Secured an **All India Rank of 44** in **GATE 2026** (Agricultural Engineering), the national qualifying exam for PG admissions and PSU recruitment
- Attained an **All India Rank of 8454** in the highly competitive **JEE Advanced 2022**, ranking among the top 5.4% out of 1,55,538 candidates

COURSEWORK INFORMATION

MOOCs: Operating Systems | Computer Networks | Computer Organisation and Architecture | Database Management Systems (DBMS)
Computer Science: Programming and Data Structures (Theory and Laboratory) | Artificial Intelligence: Foundations and Applications
Mathematics: Linear Algebra, Numerical & Complex Analysis | Advanced Calculus | Probability and Statistics | Partial Differential Equation

EXTRA CURRICULAR ACTIVITIES

- Mentored **four first-year students** academically under the **Student Mentorship Programme**, conducted by Students' Welfare Group, TSG
- Co-directed, co-scripted and performed in the **silver-winning Nukkad Natak** 'Plastic Paradox' for **General Championship Street Play 2025**
